

THE ESSENTIALS 2024

GUSTAVE/
ROUSSY—
CANCER CAMPUS
GRAND PARIS

GUSTAVE ROUSSY : France and Europe's Leading Cancer Centre

IN 2024,
WE HAVE REACHED
MAJOR MILESTONES.
TOGETHER, WE ARE MOVING
TOWARD OUR AMBITION :
CURE 80% OF PATIENTS
BY 2040.

Prof. Fabrice Barlesi
Chief Executive Officer, Gustave Roussy

KEY FIGURES 2024

Budget
€592 M

Medical Activity and Patients

24,000

new patients*,
including

472

paediatric cases

137,986

hospital stays

19,118

hospitalized
patients

+

277,092

medical
consultations

600

beds and places

52,257

patients followed,
including

2,644

paediatric cases

Staff

3,408

employees:

1,217

healthcare
professionals

◀▶

632

doctors

1,400

researchers
and research staff

Clinical Research

13

clinical committees
+ 1 direction of
clinical research

6,153

patients included in clinical studies
leading centre in France
and Europe for patient inclusion
in clinical studies

586

active
clinical
trials

1

Therapeutic Innovation
and Early Trials Department
(DITEP)

1

new clinical
research
platform

Research

1,200

scientific
publications

11

technological
platforms

43

exploratory and
translational
research teams

16

researchers listed
as *Highly
Cited Researchers*

*24,000 new patients were admitted to Gustave Roussy, including those from the second opinion platform

IN 2024, INNOVATING to improve care

MEDICAL AND TECHNOLOGICAL ADVANCES

- ▶ **Interception** : 8 tailored prevention pathways, 595 patients treated in 2024, 97% participant satisfaction

- ▶ **20 Years of InstaDiag** : expanded to new cancers (liver, pancreas, and gynaecological): over 35,000 patients treated since 2024

- ▶ **FRESH liquid biopsy** : launched in 2024, with over 550 requests per month (analysis of 350 genes from a simple blood sample)
- ▶ **Papillon+** : contact radiotherapy avoiding surgery in 97% of targeted cases
- ▶ **New equipment** : 3 Tesla MRI and Veriton-CT camera for more precise and comfortable examinations

A STRENGTHENED COMMITMENT ALONGSIDE PATIENTS AND CAREGIVERS

- ▶ New patient and caregiver space for better information and guidance
- ▶ One year of success for Repas Toqué
- ▶ **My Care**: a structure fully dedicated to supportive care

Visit
My Care

STRENGTHENING EXCELLENCE IN CLINICAL AND TRANSLATIONAL RESEARCH

- ▶ Launch of Phase I clinical trials in nuclear medicine
- ▶ AMMiCa and InnProgress platforms: support for translational research and startups
- ▶ ICE Unit: development of innovative cellular therapies

GUSTAVE ROUSSY FOUNDATION : Global Research with High Societal Impact

In 2024, a top-quality
research environment :

95
projects
supported

9
medico-scientific
programs

6
pragmatic
trials

5
young-team
supports

3
chairs of
excellence

4
emerging
programs

6,9 M€
in research grants
(including €4M in
donor attributed donations)

1
technological
equipment
programs

GUSTAVE ROUSSY EDUCATION : Passing on Excellence in Oncology

In partnership with the University
of Paris-Saclay, Gustave Roussy
Education trains future oncology
professionals.

TEACHERS

230
practising
teachers

41
academics

**IN
2024**

PROGRAMS AND OFFER

23
university
diplomas

14
master
classes

STUDENTS AND PARTICIPANTS

4 300
students
trained

1 400
seminar
participants

10 000
participants
on the digital platform

110
health engineering
students

Over

223
doctoral candidates

30
Master's
students
in Oncology

GUSTAVE ROUSSY TRANSFER : Accelerating Innovation, Valorising Research

GUSTAVE ROUSSY INTERNATIONAL : A global oncology excellence network

- ▶ Short- or long-term hospital projects (support, audit, co-development) in multiple partner countries
- ▶ Cooperation agreements to structure networks of partner or satellite centres
- ▶ Training programmes to strengthen international healthcare professionals' skills

Gustave Roussy ALUMNI : AN ENGAGED COMMUNITY

Over
2 000
members,
former
Gustave Roussy doctors

GUSTAVE
ROUSSY
ALUMNI

25
nationalities
represented

1
Leading
alumni network
specialised
in oncology

A YEAR OF GENEROSITY

Every year, the generosity of thousands of donors gives new momentum to research and accelerates progress against cancer.

IN 2024 :

- Over €45M raised (+3% since 2023)
- 212,441 active donors

SPORTING AND SOLIDARITY FUNDRAISING

- **Odyssée Paris** : over 45,000 runners, raising a record €1M in 2024
- **Solidarity bibs**: during the Paris Half-Marathon, Marathon, and Adidas 10K, over €300,000 raised by runners supporting Gustave Roussy

EUROPE'S LARGEST Cancer Campus

As a founding member of the Paris-Saclay Cancer Cluster, Gustave Roussy contributes to creating a unique European centre of excellence, combining care, research, and industrial innovation to accelerate the fight against cancer.

BY 2028/2029:

- New building for prevention, diagnosis, outpatient, and international activities
- New office building with parking, offices, and an auditorium for up to 240 students
- New research centre (33,000 m²) doubling scientific teams
- 100,000 m² dedicated to biotech, startups, and industrial partners

IMPROVED ACCESS:

- Line 14 (January 2025): Gustave Roussy 10 minutes from stations, airports, and central Paris
- Line 15 (mid-2026): enhanced service from Villejuif – Gustave Roussy station

114, rue Edouard-Vaillant
94805 Villejuif cedex - France
